

## Application Packet for Plan Review & **CURB PERMIT**

**ZONING OVERVIEW:** The purpose of Zoning Ordinances & the place of Zoning Permits “promoting the health, safety, morals and the general welfare of the Borough in accordance with a comprehensive plan ... designed to lessen congestion in the streets, roads and highways, and to secure safety from fire, panic and other dangers, to provide adequate light and air, to prevent the overcrowding of land, to avoid undue concentration of population, to facilitate the adequate provision of transportation, water, sewage, schools, parks and other public requirements, and to encourage the most appropriate use of land throughout the Borough.”

Please refer to Trappe Borough Code § 340.80-82 for detailed Zoning Permit information.

### **INFORMATION TO KEEP IN MIND:**

- All applicable Zoning Permit Applications are to be submitted prior to submission of any Building Permit Applications

### **Ordinance details related to curbs:**

#### §286.15

- All sidewalks and curbs shall be constructed or reconstructed of concrete, according to specifications adopted by Council from time to time, and the sidewalk shall be paved to the width specified in the notice. The width shall be that set out in specific ordinances establishing width for individual streets, where ordinances shall have previously been enacted and shall remain in effect, or shall hereafter be enacted. Where there is no ordinance establishing the width for a sidewalk on any street, Council may, at the time of ordering the construction or reconstruction of a sidewalk, determine the width to be paved and shall specify that width in the notice to construct or reconstruct.*
- All sidewalks heretofore constructed of material other than concrete shall not be repaired of the original material, but shall be repaired of concrete, conforming in all respects to current Borough specifications.*
- All sidewalks and curbs hereafter constructed, reconstructed or repaired shall conform to the grade and line established for them by Council, and the Borough, at no charge to the property owner, shall furnish the property owner with the correct grade and line.*

#### §286.17

*Whenever a sidewalk or curb shall be constructed or reconstructed along the front or side of a corner lot, either on notice from Council or at the discretion of the property owner, the property owner shall be required to continue the walk or curb beyond the corner of the lot for a distance of the width of the intersecting walk on the intersecting street, so that a continuous walk and/or curb shall be provided.*

### ***IMPORTANT NOTE:***

**Incomplete submission of all required information and/or documents will result in the entire application being rejected and returned.**

**You will then need to resubmit with all documentation.**

*\* The one exception to this requirement is the Certificate of Insurance. Certificates of Insurance can be faxed to the Borough office (610-489-8827) by contractor's insurance company.*

## **RESOURCES: YOU MAY NEED FOR THIS APPLICATION / PROJECT**

All resources available at Borough office and/or on [www.trappeborough.com](http://www.trappeborough.com)

- “*Worker’s Compensation Insurance Form*”
- “*Owner’s Authorization*” form
- “*Fee Schedule*” for current year

## **PROCESS NOTES: FROM START TO COMPLETION OF PROJECT**

- Building may not commence on your project until a permit has been signed by the Borough Building Code Officer and by the owner(s) or contractor and is in your possession.
- While work is being done, the permit(s) must be visibly posted at the job site.
- Erosion Control Installation  
*Must be completed (if applicable). See Trappe Borough Code §295-18.*
- As of 05/04/2004 Trappe adopted the Uniform Construction Code, contained in 34 Pa. Code, Chapters 401 to 405, as amended from time to time, as the municipal building code of the Borough of Trappe, Montgomery County, Pennsylvania. All work must comply with UCC in effect at time of the improvement.
- Electrical Improvements  
*Any & all electrical improvements associated with this project must be inspected by a state-certified third-party electrical underwriter. You must provide the Borough with proof of the electrical inspection by supplying a cut-card or other documentation showing that the electrical work passed inspection.*
- Mandatory Inspections
  1. A list of required inspections will be provided to the applicant when permit is issued.
  2. Inspections are scheduled in ½ hour increments between 8:00 – 10:00 AM on Mondays, Wednesdays & Fridays. Please call Borough Hall (610-489-7181) 48 hours in advance to schedule an inspection.
  3. All required inspections shall be requested by the applicant or their contractor when the work has been completed. When inspection has been requested / scheduled and the work is found to be incomplete, the contractor shall be charged \$50.00 for each additional inspection for that work.
  4. It is the responsibility of the applicant to verify that each mandatory inspection is conducted and subsequently approved before continuing to the next phase of construction.
- Permit expiration  
*All buildings and uses, including changes and alterations thereof allowed by a Building Permit, shall be started within one (1) year of the issuance thereof. If work is not started as authorized within one year of the date of issuance of the Building Permit and carried forward with reasonable diligence to completion, the Building Permit shall become void and of no effect. Application may then be made for a new Building Permit as if the unused Building Permit had never been issued. [Trappe Borough Code §340-112]*
