

Dear Valued Customer,

The C-T Utility Department would like to take this opportunity to invite you to sign up for our Automated Bill Payment Program (ACH). This service offers you an easy and convenient way to pay your water and sewer bill each quarter without the hassle of remembering to write a check. Your water bill is paid automatically each quarter from your bank account. To enroll in the ACH program, simply complete the application below and return it along with a VOIDED check to the C-T Utility Department.

**Eliminate long mail delays. Avoid late fees. Have a carefree extended vacation.**

With our ACH program, you will save time and money. No checks to write, no postage to pay, no need to forward your mail or arrange for someone to pay your bill while you are away from home.

You will continue to receive the quarterly bills for your records, which will include the amount that will be deducted from your account and will say "Do Not Remit" to remind you that you no longer need to send in a check. Your account will be charge approximately fifteen days after the bill is mailed. Your water and sewer bill will be electronically deducted directly from your bank account every quarter. If you are interested in ACH, please fill out the form at the bottom of this page, sign and date the authorization, attach a voided check and we will enroll you in the ACH program. Please allow thirty days to process your request. Mail your application to:
